Profile

After working in corporate HR, they transitioned to academia in 2017. At their alma mater, Yokohama City University, they served as a program coordinator for MEXT's "Employment Promotion Program for International Students," designing and managing industry-government-academia career education. Currently, as a university faculty member, they provide bilingual (English/Japanese) career education and employment support for students from diverse cultural backgrounds. They hold an M.A. in Policy Studies from Hosei University, serve as a Board Member of the Association for International Talent Development (AITD), and are a National Certified Career Consultant.

KAWASE, Keiko

- Specially Appointed Lecturer, Tokyo Keizai University
- Adjunct Lecturer, Ochanomizu University
- Adjunct Lecturer, Yokohama National University

How to Start Job-Hunting in Japan

【Benefits of Joining】

- ✓ Learn about the hiring schedule and selection process of Japanese companies
- ✓ Understand the latest features of Japan's recruitment system
- ✓ Learn the characteristics and usage of job search tools
- ✓ Organize potential industries through self-analysis
- ✓ Ask the instructor directly about key points before interviews and applications

PROGRAM

▼ Part 1: Seminar (13:00–14:00)

- ▶ Why do Japanese companies hire international students?
(Advantages and challenges)
- ▶ What skills and Japanese language proficiency are required
- ▶ Industries and job types where international students thrive
- ▶ How to search for jobs (Introduction to useful tools)

▼ Part 2: Hands-on Workshop (14:00–15:00)

- ▶ What is self-analysis and why is it important?
- ▶ Step-by-step guide to self-analysis methods
- ▶ Create your own self-analysis sheet
(Motivation Map, Will/Can/Must Chart)

▼ Part 3: Networking Session (15:00–16:00)

Light refreshments provided

- ▶ Q&A with the instructor
- ▶ Group discussion with other participants
- ▶ Hear job-hunting stories from former international students
