Higher Education in Japan

7 Steps to Study in Japan

START

EJU

GOAL

EJU for International Students (EJU) is an exam conducted by Jasso. It includes sections on Mathematics, Language Proficiency, and Specialized Knowledge in the field of study. EJU scores are required for admission to many universities in Japan.

Examination for Japanese University Admission for International Students (EJU) is an examination designed for international students planning to study in Japan. It assesses language proficiency, specialized knowledge, and general knowledge.
